Special Instructions (delivery, etc):

The table outlines the SBP products available and the number of units supplied in a 'Standard Term Pack'. The 'Standard Pack' quantities shown below - based on the supply of 24 meals, five days a week for 10 weeks (hot and cold alternatively) - are intended only as a guide. Schools are encouraged to customise the order quantities to suit their individual needs.

1. Please indicate (✓ or ✗) whether the product is required
2. For each product, indicate the number of units required:
 - 'Standard': the quantity supplied in the Standard Term Pack
 - 'Double': double the quantity supplied in the Standard Term Pack
 - Custom: if the quantity of product required is not 'standard' or 'double', please write the number of units required.
